

Hello Dames:

2010-2011 has been a good year, for La Societe De Femmes of Michigan.

Reports are in and all program activity was excellent.

The testimonial Dinner for Presidente Karen Webb and [Chef De Gare David Webb](#), went real well. There was good food and friendship every where. Thank you, all.

The State Wreck was well attended. The Femmes were entertained by Cabane 669. Lunch was at Mr. G's Pizza, the food & service were both excellent. Thank You ' to Karen, Adel, Linda, Lori and Debbie for all the hard work, with decorations, games and prizes.

I want to say thank you, to President Karen for this appointment and Adel Astala for all her hard work without Adel to keep my in line I would not have been able to get the job done.

The lists of new officers are coming in pretty slow, along with the bonding fees. I hope this will be all done before convention.

Thank You, to each & every Dame of [Michigan](#), for a good year. Keep up the good work.
