

Hello Dames,

July is flying by, we started out the 8th and 9th at Voiture 102 for their 90th anniversary.

What a great tribute for many years of dedication to all the programs we stand for. It was only

Enhanced by the awards handed out to those who gave their all for the everything thing the

Forty & Eight stands for. We had a super weekend with our Hosts Tony and Gloria Licari,

Ritchie and Linda Rathburn, and Howie and Sharon Schulte. It was great seeing Mike and

Margaret Gallaway from Florida. I also was excited to visit with Past Grande La Presidente

June Nazer. Also in attendance was were Past Grande La Presidentes Erica MacLachlan and

Nationale Guard La Portes Doug and Diane Carignan.

Grand Drapeau Jeremy Bell was M.C.

Loads of fun was had by all.

On to Membership we are still at 96.90% 14th positions in Nationale 10 short of goal.

Hope everyone has sent in their reservations and

registrations by now. All Grande Chairman

reports should have been in Trophy and Awards Chairman Patsy Gilmer by now.
