

Hello Dames

I can't believe summer is winding down already, Seems like it just started. Let's get out and enjoy it while we still can. I did not make Nationale this year, but received a phone call each and every day to keep me informed on how the Michigan Dames and Voyagers were doing.

We can be so proud to have our own Sharon Schulte to be named Dame of the Year at Nationale. She certainly deserves this award. Sharon has always been a great help for everyone, not counting the long hours she has spent on credentials and other appointments she has held. What an honor for her to receive this award, congratulations Sharon.

Also, Diane Carignan was elected as one of Nationale Garde de La Porte. We are all so proud of you Diane for stepping up, congratulations to you as well.

Sandy wood is our new La Presidente Nationale. She is from Virginia and has held many offices in her Grande as well as Nationale. I'm certain she will do a good job just as Pat Jones did.

Fall Cheminot is just around the corner so hope to see all of you there in Monroe, October 7th & 8th.

Let's "FLY TO THE TOP" this year

Grande La Presidente
Linda Bovee
